Location and availability

- Based in Castro Valley and Oakland, CA, but will travel from Fremont to Oakland and surrounding cities to provide computer consulting services.
- Our services are available on an as-needed basis
- Mailing address: 3056 Castro Valley Blvd., Suite 42, Castro Valley, CA 94546
- Phone: 510-385-4154

People choose us because

- We are friendly, pleasant people who don't overwhelm you with techno babble
- We maintain our objectivity and integrity by recommending only what customers need
- We help customers set technology goals

Good referrals for us

- People who are overwhelmed by technology
- Companies who need occasional IT support but cannot justify an on-site support person
- Small to medium-sized businesses who are ready to expand
- Those who prefer to develop a long-term relationship with a competent trustworthy, technology support company vs. just needing a serviceperson

BNI G.A.I.N.S. Profile – Gino Bossetto (gino @ stellaritsolutions.com)

Goals

- Build long-term, supportive relationships with local schools
